

Lorena Charris Castellón

Industrial Engineering Student

Industrial Engineering student. Willing to work in teams, proactive in continuous learning, and capable of generating creative ideas that contribute to problem-solving. Skilled in specialized software such as R-Studio, AutoCAD, Advanced Excel, SolidWorks, Java, Python, and diagrams including ASME, ANSI, and Pareto. Additionally, I have developed strong abilities in quality control and efficiency improvement through my experience as a member of the IISE student chapter since October 2023.
